

## ***Delian's After School Music Program***

Have you ever tried an after-school music program that for some reason or another has never worked out? Have you always wanted to start an after-school music program? Let us help you! For the past several years, Delian Music has been providing qualified music teachers to the Inglewood Unified School District and other private and public schools with great success. Why choose us?

1. We have the contacts. Delian Music is constantly interviewing prospective teachers for private teaching thru Delian Music and for after school music programs;
2. All teachers are fingerprinted and TB tested for your classroom safety;
3. We will also provide any lesson materials or instruments you may need (added cost);
4. Substitute teachers will be provided when possible in the event the regularly scheduled teacher cannot teach;
5. Teachers will prepare your students for year-end recitals and school programs;
6. Communication and facilitation with teacher's aides, principals and after school program coordinators to monitor and make improvements as needed;
7. All teachers are treated as independent contractors and are insured through Delian Music;
8. Only one monthly payment to Delian Music relieving you of payroll responsibility.
